## To Whom It May Concerned

### RE: RESERVE BANK OF VANUATU REDEVELOPMENT PROJECT

This is to certify that **KRAMER AUSENCO** has successfully delivered to the Reserve Bank the construction of a new 6 story building, the renovation of the old three story building with 2 level concrete framed linking the two building together. The scope of work also includes all fit out, all site works, including car parking, new water tanks, pump house and pipe work complete, all demolition works, installation of backup generator, connection of all services. The project took 36 months to complete and have reached Practical Completion on 21<sup>st</sup> August 2009 in accordance to Clause 42.5 of the General Conditions of Contract.

Kramer Ausenco's role in the project includes Project Management, structural Engineers, Civil Engineers, Mechanical Engineers, Electrical Engineers and Quantity Surveyors.

Kramer Auseno managed the RBV project professionally with a lot of technical expertise and in this respect; I would not hesitate to recommend them for their future endeavours.

For further information please do not hesitate to contact the under signed on telephone 23333.

Yours faithfully

  
Peter Tari Merakali  
Deputy Governor and Principal, RBV Redevelopment Project
