

## KRAMER AUSENCO (SI) LTD DONATES TO REAL KAKAMORA FOOTBALL CLUB

**From left to Right:** Club President (Mr Leonard Paia) ,Team Captain (Mr Junior Lesley Nate), Team Manager (Mr Jimmy Nuake)and Kramer Ausenco (SI) Ltd Country Manager (Mr Rovaly Sike)

Originally originated from Makira Province, Real Kakamora started its first season in 2010. In 2011, during its second season the club was third in the Solomon league. In 2012 and 2013 the club was ranked in last position although this year the club has improved its ranks into fourth position.

Real Kakamora is made up of mixed provinces, but originally represented Makira province to whom club representatives have provided various avenues and means to expose the players to the national level and further develop their sporting career.

“Although small and not yet financially strong, we try our best to develop on our own and grow our players the best we can but today myself and the rest of the management team are very happy in receiving this gift and appreciate that such companies like Kramer Ausenco can be able to assist and provide them to us. This small gift will support our teams moral and assist us in areas we need to improve on” states the club president Mr Leonard Paia who thanked the Manager of Kramer Ausenco, Rovaly Sike before receiving the soccer balls.

Mr Sike applauded the team with their overall efforts thus far and concluded with remarks that everything rises and falls on leadership and co-operation and that on behalf of the company he wished them well with this small token that would go a long way towards further encouraging and promoting good future players in the Real Kakamora FC to achieve number 1 ranking in the near future.
