

## Kramer Ausenco Brothers

---

### Brothers receive new supporters' merchandise

Kramer Ausenco Chief Operating Officer, Bruce Nicholson, presented the polo shirts for men and women, bucket hats and caps to Brothers Club Manager Johnny Passingan. Mr Passingan thanked Kramer Ausenco for its continued support and said the club was proud to be associated with the company.

"Our theme as a club is to build responsible young men and women who will be successful in life. We want to see Brothers Rugby become a vehicle for young Papua New Guineans to do that," Mr Passingan said.

Mr Nicholson said Kramer Ausenco is happy to support a club which believes in discipline, loyalty, hard work, commitment and perseverance, and gives youth a chance in life. He congratulated the teams for making the major semi-finals.
