## Factsheet Bank South Pacific (BSP) Haus

Commercial, Residential and Industrial

Project Title
BSP Haus
Location
Port Moresby, PNG
Client
Harbour City Developments Ltd
Project Type
Commercial
Year Completed
2013

## **Project Description**

The BSP Haus is another BSP Commercial centre located in the heart of Port Moresby's Harbour City.

Kramer Ausenco was provided to this project its structural and building services expertise. Structural designs were carried out with regular inspections. A structural compliance certificate was later issued upon completion. Mechanical, electrical and hydraulic designing were also calculated and drawn. Compliance inspections were essential for report writing back to the client.

## Project Role
