Era Dorina Stage 5

Commercial, Residential and Industrial

Project Title

Era Dorina Stage 5

Location

Port Moresby, PNG

Client

Credit Corporation Ltd

Project Type

Residential

Year Completed

2013

Project Description

Era Dorina Estate is one of the largest executive residential estates in Port Moresby. Era Dorina Stage 5 will add a further 20 single-bedroom apartments to the estate.

Kramer Ausenco was selected to provide civil and structural expertise to this project. Retaining walls, car parks and driveways, stormwater and sewage, and other earth work were carefully designed by registered engineers of Kramer Ausenco. During construction phase, regular inspections were carried out and upon completion, Kramer Ausenco issued a Structural Adequacy Certificate for the structure.
