### Project Description

The LDS Fagamalo Stake Centre involved construction of a Chapel building, and classroom/office building. Ancillary works included a rock armour seawall, concrete car parking & footpaths and fencing.

Kramer Ausenco was responsible for preparing all documentation for implementation of the physical works, including definition of and preliminary costing of building works, development of civil designs and specifications, the planning and management of tender and preparation of construction contracts.

Kramer Ausenco was further commissioned to provide contract administration and inspection services during the construction phase.
