### Project Description

The Southern Highlands Provincial Governor awarded the roads upgrading feasibility studies for the following roads (including bridges), which had a total length of 371 kilometers within the Southern Highland province.

- Mendi – Poroma Junc. – Nipa Road  
57.6 kms
- Nipa – Magarima – Tari Road:  
90.6 kms
- Mendi – Munihu Road: 22.5 kms
- Munihu – Nipa Road: 22.5 kms
- Mendi Town Roads: 8.0 kms
- Poroma – Kutubu (Moro) Road:  
112.6 kms
- Kisenapoi – Ankura River Bridge:  
34.4 kms
- Ialibu – Pangia Road: 23.1 kms

The services provided included the desktop and on-site visit of the various roads. The studies included the

preparation of the scope of upgrading for the roads/ bridges to DoW Roads and Bridge Standards and the preparation of budget cost estimates and the Roads Feasibility Study Reports.
